The Professional Firefighters of Naples Local 2174 formally endorses Council Member Ray Christman for re-election to the Naples City Council.

Since his election to Council in 2019, Mr. Christman has acted as a true leader within our community, standing firm on the beliefs of having both an ethical and transparent government. His actions during the past term have shown he has the best interests of both the City of Naples residents and its employees. The Professional Firefighters of Naples Local 2174 stand with him. His support of first responders ensures the City of Naples remains a safe place to live, play, and work. We believe Mr. Christman's core values will continue to enhance the quality of life for our residents and visitors, while preserving the City's small-town charm.

We wish him all the best going forward!

Respectfully,

President Chris Clissold
